## 2008 RED MOUNTAIN SYRAH-PETITE SIRAH

Our 2008 Syrah-Petite Sirah blend, aka SPS, is a unique blend of 71% Syrah and 29% Petite Sirah from the Red Mountain AVA. Inky black on the eyes and complex on the palate. This wine has nice blueberry notes with a little spice that is quickly followed by a smoky - leathery mid-palate with hints of cedar. It all comes to a beautiful, but subtle black pepper finish.
