Due to individual state legislation, Corvus Cellars currently ships to AK, CA, DC, FL, GA, ID, IA, MN, MO, NM, NC, OR, and WA. If you are not in one of the listed states, please contact us at [info@corvusc cellars.com](mailto:info@corvusc cellars.com). We do not ship to states where prohibited by law. Wine orders require an adult signature upon delivery. Please consider submitting an address where an adult will be available to accept your wine shipment (for example a work address.) P.O. boxes are not an acceptable shipping address. Corvus Cellars will contact you to make shipping arrangements if you are ordering during months of extreme temperatures as those temperatures can damage wine.
