Order Total

* Washington State law requires us to collect sales tax based on shipping destination. We will determine sales tax based on your zip code.
 ** If shipping to another state, the sales tax amount will vary depending upon the state's tax regulations. The correct tax amount will be applied to your order total by the winery.

Due to individual state legislation, Corvus Cellars currently ships to AK, CA, CO, DC, FL, GA, ID, IA, MN, MO, NM, NC, OR, TX, and WA. If you are not in one of the listed states, please contact us at info@corvuscellars.com. We do not ship to states where prohibited by law. Wine orders require an adult signature upon delivery. Please consider submitting an address where an adult will be available to accept your wine shipment (for example a work address.) P.O. boxes are not an acceptable shipping address. Corvus Cellars will contact you to make shipping arrangements if you are ordering during months of extreme temperatures as those temperatures can damage wine.
